Our Brands

Panamei Seafood

Under the Panamei Seafood® brand, we offer an extensive variety of responsibly sourced, retail-ready, frozen seafood products with over 100 retail SKU's including Shrimp, Fish, Shellfish and many more.

We offer Marketing support for our products and programs. We work to educate consumers on the benefits and methods of preparing seafood through a variety of marketing outlets, including social media, radio and TV, as well as trade events. Our marketing efforts also include In-Store support with a range of P.O.P. (Point Of Purchase) materials, planograms and merchandising support.

Mambo

Quirch Foods' retail line of frozen products has a fresh new look that's sure to catch your attention. But it's not all about looks...It's about quality and taste. Mambo features All-Natural Vegetables, Jamaican Style Patties, Empanadas, Tequeños and Arepas, delicious traditional flavors conveniently packed and ready to use. We pride ourselves on quality and we dedicate a great deal of resources to ensuring that our products meet the expectations of our customers. Our certifications and standards are driven by our Quality Assurance Team, who remains committed to developing and distributing brands that deliver the high quality our customers are accustomed to.

Kikiriquirch

Kikiriquirch brand offers a variety of retail-ready refrigerated or frozen chicken of the highest quality. Our commitment to high quality standards grants Kikiriquirch® the approval of the FDA.

Chiquita

Chiquita is a licensee of the Chiquita brand. We offer a variety of traditional frozen tropical vegetables, fruit pulps, and frozen fruit to our customers throughout the Southeast United States, Central and South America, and the Caribbean.

One of the most recognized brands in the world, our Chiquita line features the best products sourced from around the world: all-natural, gluten free, convenient traditional goodness.

Retail

Sausages, Franks, Chorizos, Domestic & Imported Cheeses, Hamburgers, Pizzas, Specialty Products and more... Quirch Foods has what you need to set up a complete retail section for just about any neighborhood.

A blurred background of a supermarket aisle with a shopping cart in the foreground. The cart's handle is green and metallic. The background shows shelves stocked with various products, with lights creating a bokeh effect.

Science-
based
approach
to quality

Food Safety Standards

At Quirch Foods we are committed to providing Safe Quality products to our customers, by maintaining food safety and quality assurance programs. This is secured with a dedicated, trained, Food Safety and Quality Development team, committed to assuring all regulations and customer requirements are met.

- HACCP based Food Safety Controls
- In-bound and out-bound product inspection
- Yearly third-party audit for safe food handling based on stringent international guidelines as recognized by GFSI (Global Food Safety Initiative)
- SQF Certified Distribution Centers
- On-site inspections by USDA
- Robust Traceability Program
- All imported products and domestic shipments are required to have calibrated electronic Time-Temperature monitoring devices

Supplier Inspections

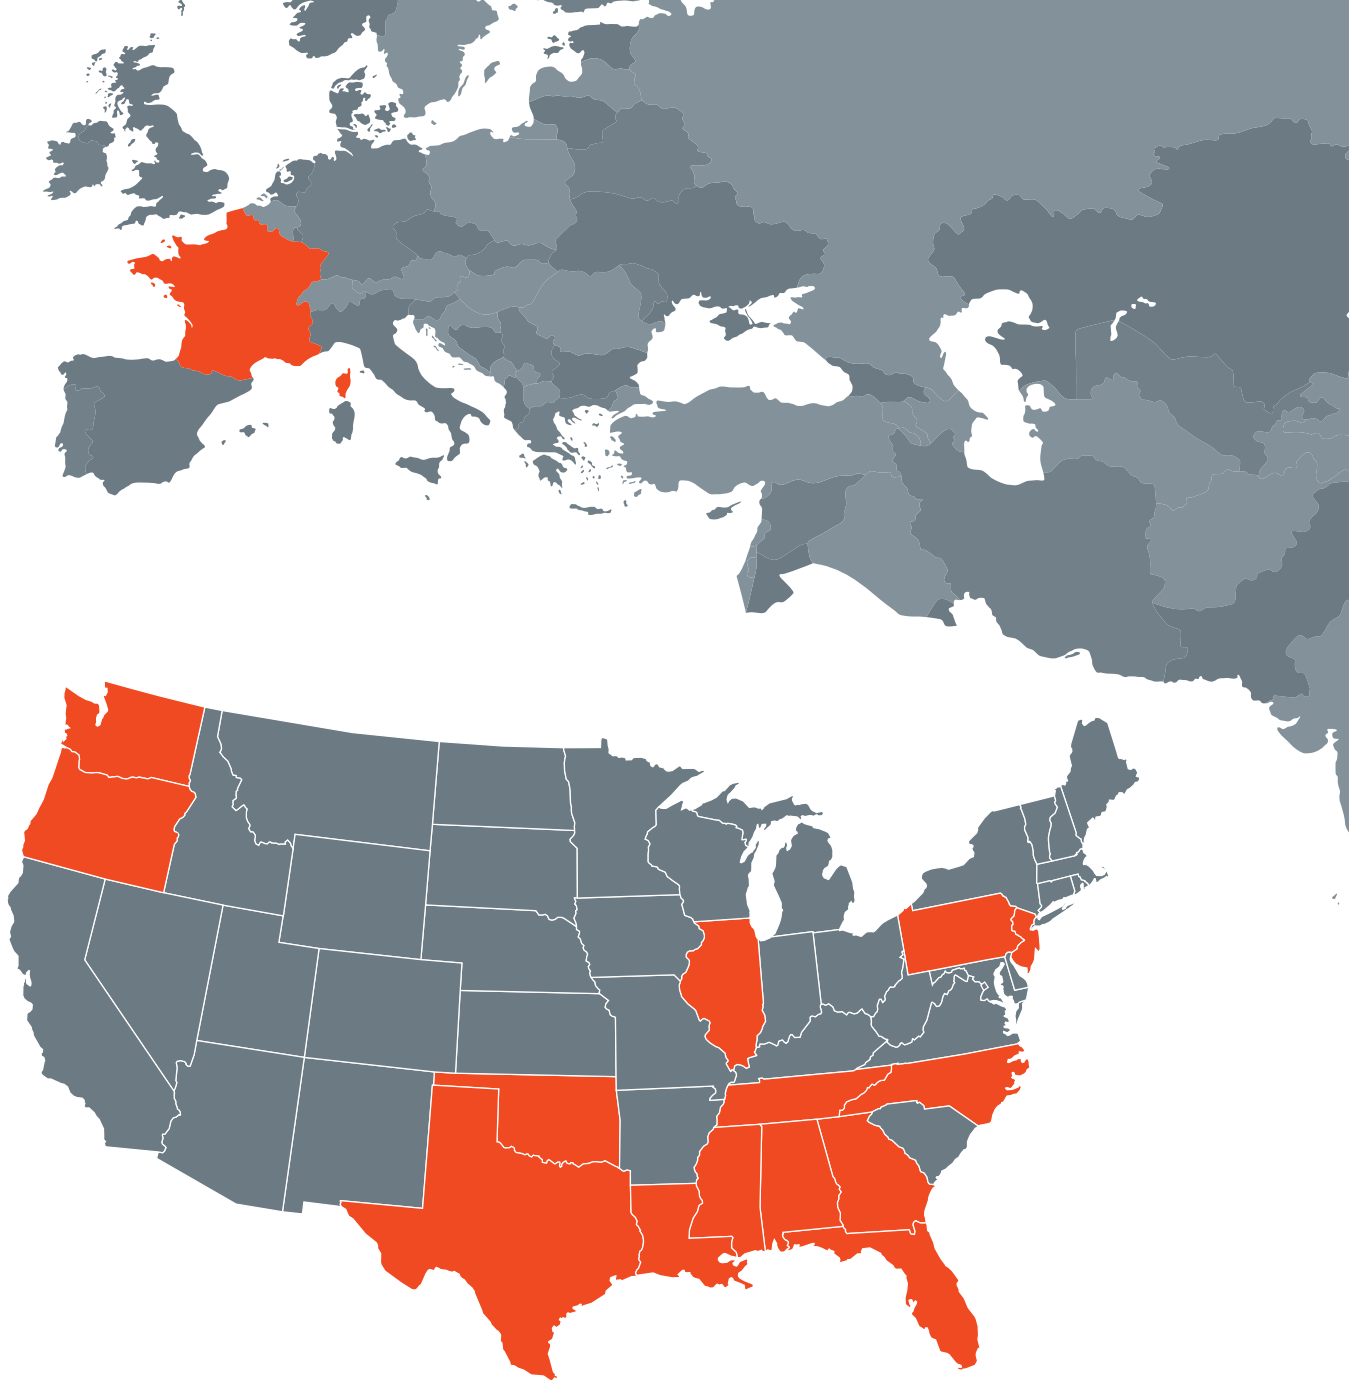

Our QA & Procurement Personnel performs on-site inspections and food safety audits to our domestic and overseas suppliers. We inspect facilities worldwide and assist these suppliers in bringing their operations into compliance with HACCP and other recognized food safety and quality management programs to include compliance with all U.S. Federal and state requirements such as the Food Safety Modernization Act.
