

ONE QUIRCH [FOOD TRAYS

Our paper food trays, often referred to as "boats," are the perfect solution for serving and presenting food in retail, grocery, and foodservice settings. Built for strength and practicality, these trays are ideal for holding everything from snacks to full meals while ensuring easy handling and portability.

Designed to prevent leaks and maintain food integrity, they are a reliable option for dine-in, takeout, and grab-and-go scenarios. With their versatile design and eco-friendly appeal, our paper food trays offer a durable and sustainable choice for businesses looking to enhance their food presentation.
