

# ONE QUIRCH [ NAPKINS

Napkins and cocktail napkins are essential for any foodservice setting, combining functionality with a polished presentation. Available in a range of materials, from economical paper options to premium linen-like textures, napkins cater to casual eateries, fine dining establishments, and everything in between. Cocktail napkins, smaller in size, are perfect for serving drinks, appetizers, or desserts, adding an elegant touch to any occasion.

Both standard and cocktail napkins can be customized with logos or designs, making them an excellent branding opportunity. Durable and absorbent, these versatile products ensure a clean and enjoyable experience for your guests.
