

# ONE QUIRCH [ PET COLD CUPS

Crafted from durable, crystal-clear PET material, these cold cups are the perfect solution for showcasing beverages like iced coffee, smoothies, and sodas. Available in a variety of sizes, they feature a lightweight, crack-resistant design and can be paired with secure, leak-resistant lids to ensure spill-free convenience.

Fully customizable with branding or logos, these cups enhance beverage presentation and promote your business. Made from recyclable, BPA-free plastic, they offer a sustainable, safe, and cost-effective option for businesses looking to deliver quality and style.

Available in all common sizes, with standard rims 98mm and 107mm.

We offer a wide variety of lid configurations to meet you every need, from straw-less to dome lids with wide holes we have you covered.

RECYCLABLE - CUSTOMIZABLE
