

ONE QUIRCH [PAPER COLD CUPS

Our paper cold cups combine practicality and sustainability, making them an ideal choice for serving cold beverages like iced tea, sodas, and lemonade. Made from high-quality, food-grade paper with a moisture-resistant lining, these cups are designed to maintain their integrity without leaks or sogginess.

Available in various sizes and customizable with vibrant prints or branding, they provide an eco-friendly alternative to plastic without compromising durability. Perfect for cafes, restaurants, and events, these cups are both functional and environmentally conscious, aligning with the growing demand for sustainable packaging solutions.

We offer all the standard sizes, with PS or PP lids. Paper stock can be made from double poly coated paper or compostable BPI certified FSC material.
